### PHILOSOPHY OF REGENERATION®

Many typical skin care products treat your skin like a paint canvas, coating it with mineral oil, animal by-products, and other inferior, pore-clogging ingredients. This actually accelerates the aging process because skin is unable to breathe and function properly. Sunrider skin care formulas are vastly different, and instead made with plant-based ingredients of the highest quality to promote skin health and natural beauty.

### INGREDIENT HIGHLIGHTS

#### VEGETABLE-ORIGIN SQUALANE

Squalane derived from olive oil has powerful antioxidant properties and delivers a moisturizing effect that helps restore lost oils.

#### JOJOBA SEED OIL

A natural emollient, jojoba oil's similarity to natural oils in skin allow it to absorb easily, making it a gentle, skin-softening moisturizer for all skin types.

#### THYME EXTRACT

This delicate herb contains powerful antioxidants that can help protect skin from free radical damage that leads to premature aging.

### FAQS

**Q:** What does each product in this set do?

**A:** Each product in this special collection performs effectively yet gently, allowing the user to enjoy the benefits without irritation or discomfort.

**Kandesn® Cleansing Cream** is naturally mild and ideal for removing oil-based surface impurities and makeup with a soothing blend of herbal extracts that moisturize while cleansing.

**Kandesn® Gentle Cleanser** is ideal for sensitive skin; however, the formula is designed for all skin types and won't aggravate oily, sensitive, irritated, or acne-prone skin. Superior, concentrated herbal extracts soothe while cleansing skin. The slightly acidic formula is designed to match the skin's natural pH, which helps balance the crucial oil-to-water ratio.

**Kandesn® Astringent** is designed for all skin types, especially oily, sensitive, irritated or acne-prone skin. The advanced formula contains no rubbing alcohol, hydroquinone, animal proteins, or petroleum by-products (such as mineral oil) commonly found in other brands of astringent, which can irritate delicate skin. Instead, it's made with a unique combination of herbal extracts that soothe and refresh the skin.

**Kandesn® Deep Moisture Lotion** is lightweight—not sticky or greasy—with rich emollients and herbs rich in antioxidants, so it not only softens rough, dry skin, but also nourishes, protects, and helps seal in revitalizing moisture.
